

OSORNO ROOM - SYMPOSIUM I

FRIDAY 25 - BLOCK X - SESSION 1.8			
Chiara Maria Petrone - Hugo Delgado-Granados			
HOUR	CHAIRS TIME	ABSTRACT TITLE	AUTHOR(S)
09:00 - 11:30	09:00 - 09:15	How will it end? Outreach activities to explore uncertainty in volcanology	Micol Todesco (1), Barbara Lolli (1), Thomas E. Sheldrake (2), Romano Camassi (1), Adriano
	09:15 - 09:30	Earth Girl Volcano: An Interactive Game for Disaster Preparedness	Isaac Kerlow
	09:30 - 09:45	Promote and strengthen process of territoriality in children. The case of Chaitén, Chile	Marcela Salgado Vargas
	09:45 - 10:00	Promoting Volcanoes on a budget, the mucyttec geology room renovation project	Sofia Otero1*, Rayen Gho1,2, María Angélica Contreras1
	10:00 - 10:15	3D printed volcano models: Hands-on hazard communication	Martin Mangler, Chiara Maria Petrone, Ian Saginor, Guillem Gisbert Pinto, Hugo Delgado-
	10:15 - 10:30	The management of a volcanic crisis: didactic exercise with elementary and middle school students of Vulcano Island, Italy	Constanza Bonadonna
	10:30 - 10:45	Card games, giant models and fireworks: finding the fun in a serious message	Jenni Barclay (1), STREVA Team (2), Volcanoes Top Trumps Team (3), Londonvolcano Team (4) and
	10:45 - 11:00	Using video games for volcanic hazard education and communication	Lara Mani, Paul Cole, Iain Stewart
	11:00 - 11:15	The Huayruro educational program: increasing risk perception and knowledge amongst children living around the Huaynaputina volcano, Peru.	L. Macedo (1), L. Thouret (2), R. Gusset (3), B. Carrasco (1) G.O. Callo Paye (4), L. Sardón (5)
	11:15 - 11:30	Engaging youth in raising hazard awareness in the Eastern Caribbean.	Omari Graham, Stacey Edwards, Richard Robertson, Clevon Ash and Alia Juman
COFFEE BREAK			
11:45 - 12:30			
FRIDAY 25 - BLOCK XI - SESSION 1.9			
Ilan Kelman - Jenni Barclay			
HOUR	CHAIRS TIME	ABSTRACT TITLE	AUTHOR(S)
11:45 - 12:30	11:45 - 12:00	Strategic approaches to developing community planning and coordination for volcano hazards at the Cascade Range volcanoes, Washington State, USA	Carolyn Driedger
	12:00 - 12:15	Observing the Volcano World: Volcano Crisis Communication	Carina J. Fearnley 1; Deanne K Bird 2; Katherine Haynes 3; Gill Jolly 4; Bill McGuire 5
	12:15 - 12:30	Using films as intervention strategies for volcanic risk reduction	Anna Hicks (1), Teresa Armijos (2), Jenni Barclay (2), Jonathan Stone (3), Richard Robertson (4), Gloria
12:30-13:00 S1.1 Fernando Muñoz, "Community communication in the context of the relationship between volcanic processes and society"			
LUNCH			
FRIDAY 25 - BLOCK XII - SESSION 1.9			
Ilan Kelman - Jenni Barclay			
HOUR	CHAIRS TIME	ABSTRACT TITLE	AUTHOR(S)
14:30 - 16:00	14:30 - 14:45	Teleplaneta: a 7 yearlong effort to spread natural hazard's knowledge	Germán Padilla1,2, David Calvo1, Domingo Álvarez2, Nieves Marrero2 and Nemesio Pérez1,3
	14:45 - 15:00	USGS Volcanoes – Successes and challenges in social media	Wendy K. Stovall, Elizabeth Westby
	15:00 - 15:15	Volcano Hazard Education in the Eastern Caribbean – Learning through the Arts	Clevon Ash, Natalie Edgecombe, Stacey Edwards, Monique Johnson, Richard Robertson
	15:15 - 15:30	Sediment plates (lacquer peels) as a dissemination and vulgarization tool for volcanic research	Guilhem Amin Douillet1, Melanie Bouysson2, Ulrich Kueppers1, Célia Mato3, Benjamin Bernard4, Donald Bruce Dingwell1
	15:30 - 15:45	Development of a collaborative consistent volcano communication framework in Vanuatu: Hazard maps, education, alert levels, bulletins, signs and procedures.	Graham Leonard1, Esline Garaebiti2, Sylvain Todman2, Sandrine Ceuvarud2, Shadrack
	15:45 - 16:00	3.7 million years and counting (?): The art and science of volcano observation and changing climates	Karen Holmberg
COFFEE BREAK			
16:30 - 17:30 PLENARY TALK: CHRISTOPHER NEWHALL "Capturing, curating, and communicating lessons of eruptive crises."
